### Report of "World Wetland day"

Department of Botany of Vivekanand college, Kolhapur (Autonomous) had organized World Wetlands Day, on dated 02/02/2022. Through this activity students were aware about the wetland and its important. World wetlands day celebrated annually on 2<sup>nd</sup> February, aims to raise global awareness about the vital role of wetlands for people and planet. This day also marks the date of adoption of the convention of wetland on 2<sup>nd</sup> February 1971 in the Iranian city of Ramsar. It is very important to raise national and global awareness about wetlands in order to reverse their rapid loss and encourage actions to conserve and restore them. The aim of this activity is to create mass awareness in the students about importance of wetland conservation and management while actively involving in it. So for this purpose Department of Botany has arranged online Google quiz competition with 20 mcqs for the students and faculty. For this total 303 students and faculties were participated.
