Room No. 22

(For Students of B.A. II Economics)

Report

The department of economics has organized remedial coaching on Indian Economy for the students enrolled for B.A. II for the subject of economics for the period of 11 days. The objective of the activity is to improve the conceptual understanding and to help students to catch-up their ongoing academic courses.

There are seven students enrolled in this coaching class. Faculties of the department has conducted lectures as per the schedule and allotted contain. The entire registered student actively participated in this remedial coaching. The end exam conducted on 24th December 2021. The result sheet indicates their improvement and it has observed that the confidence level and classroom interaction of the students has improved. The Department is thankful to the principal for allowing us to conduct such output oriented activity.
