1	<b>International MoU with College of Chemistry &amp; Chemical Engineering Henan University, China</b>	Physics
---	---	---------

(organizations) agree to the following statement of intent on cultural, educational and research cooperation.

Cooperation and development of activities may extend to any fields and subjects in which the two institutions (organizations) may identify shared interests. The initial area of cooperation is academic and research collaborations.

The two institutions (organizations) agree to cooperate in the following general areas;

- 01) An exchange of scholars and scientists to conduct research of mutual interest.
- 02) An exchange of faculty for lectures and short term visits.
- 03) Invitations to scientists to participate in conferences and symposia.
- 04) An exchange of information, academic materials and publications in fields of mutual interest.

Both parties agree that all financial arrangements necessary to implement this General Agreement or any subsequent agreements must be negotiated according to the regulations of each institution and will be dependent upon the availability of funds. Both parties recognize that this General Agreement establishes a foundation of mutual understanding and interest, and does not in itself entail any financial obligations to either organization.

Each institute (organization) will appoint a liaison officer who will be responsible for the coordination and the administration of collaboration/exchange programs. Each liaison officer will be responsible for providing his/her counterpart with information about the academic background, record and interests of proposed participants in the exchange. It is

understood that both institutions will nominate only individuals of the highest scholastic standing and potential.

This agreement for partnership, cooperation and scientific exchange shall remain in effect for a period of five (05) years from the date of the last signature, with the understanding that it may be terminated by either party given three (03) months written notice to the partner institute.

This agreement may be amended with the consent of both institutions through a written addendum executed by authorized individuals from both institutions.

## **Memorandum of Collaboration for Faculty Development**

Between

**Shri Swami Vivekanand Shikshan Sanstha**

**(SSVSS), Kolhapur**

**And**

**Indian Institute of Science Education and Research**

**(IISER), Pune, through the Maharashtra State**

**Development of Educators and Enhancement in Delivery**

**(MS-DEED) Program supported by the Maharashtra**

**State Faculty Development Academy (MSFDA)**

In accordance with a mutual desire to promote faculty development activities in education field between the Indian Institute of Science Education and Research (IISER), Pune's Maharashtra State Development of Educators and Enhancement in Delivery (MS-DEED) Program funded by the Maharashtra State Faculty Development Academy (MSFDA) and Shri Swami Vivekanand Shikshan Sanstha (SSVSS), Kolhapur, the two institutions agree to the following statement of intent on faculty members training.

The Indian Institute of Science Education and Research (IISER) Pune is a premier institute dedicated to research and teaching in the basic sciences; whereas Shri Swami Vivekanand Shikshan Sanstha (SSVSS), Kolhapur is an educational institute devoted to the dissemination of education for knowledge, science and culture among the masses. Both the institutions believe that a favourable environment for modern, effective and community-oriented development in the academic fraternity is the need of the hour through pedagogical training to teachers as well as hands-on science education to students and teachers at various levels. This collaboration aims at:

1. Improving the quality and engagement of faculty in the preparedness for NEP 2020
2. Excelling the teaching fraternity for effective and outcome-oriented classroom and lab engagement
3. Helping the teachers with skills in areas of scientific inquiry and problem-solving
4. Motivating the teachers to imbibe critical thinking abilities among their students
5. Improving individual output for sustainable development of the community

To achieve these objectives, the two institutions agree to cooperate in the following manner:

Level 1:

1. MS-DEED team of IISER, Pune, will conduct training sessions for all science and mathematics faculty members of higher education institutes of SSVSS, Kolhapur.
2. These sessions will be organized at Kolhapur, Miraj, Satara, Beed, Osmanabad and Pune divisional centres of SSVSS, Kolhapur.
3. These faculty development/training sessions will be one and a half to two days, with synchronous and asynchronous engagement.
4. SSVSS will identify and nominate between 100-150 teachers of higher education institutes from the above-mentioned divisional centres and other institutes and colleges from the region for each workshop.
5. MS-DEED team of trainers will conduct these sessions and carry out the assessment. The expenses for content development, resource person travel and honourarium will be borne by MS-DEED programme.

6. The expenses for these training sessions, including venue, participant travel, lodging and boarding, will be borne by SSVSS, Kolhapur.
7. SSVSS will appoint a person of contact for effective communication with the MS-DEED coordinator.

Level 2:

1. From the Level 1 training, the MS-DEED team, with support from SSVSS, will select motivated participant teachers for the advanced training at IISER, Pune.
2. This training will be scheduled for ten days. The expenses, including venue, resource person travel, lodging and boarding of participants, will be incorporated, as appropriate, within the ongoing MS-DEED programmes of IISER, Pune.

Since the understanding is on a principal-to-principal basis, both parties agree that all logistic and financial arrangements necessary to implement this collaboration or any subsequent linkages must be made by each institution. Both parties recognize that this collaboration establishes a foundation of mutual understanding and interest and does not in itself entail any financial obligations to either organization.

This collaboration shall be effective from the date it is signed by the parties hereto. The duration of the collaboration will be initially for a period of three years from the effective date, unless or otherwise terminated earlier.

This agreement may be amended with the consent of both institutions through a written addendum executed by authorized individuals from both institutions.

## MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding ("MOU") is made effective as on the Tuesday 22<sup>nd</sup> day of the month of March 2022 ("Effective Date") till Monday 22<sup>nd</sup> day of the month of March 2027.

Between

**Govindram Seksaria Science College, Computer Science department, Belgaum, Karnataka, (hereinafter called "GSS College" which expression shall where the context so admits include its successors and permitted assigns) of the one part;**

And

**Vivekanand College, Kolhapur (Autonomous), Department of Computer Science**

### **PREAMBLE**

It is the need of hour to work in collaboration to achieve and maintain the Education and Research standards in any institute. Individual academicians from University campus schools and constituent/private Institute should join their hands in academics and research. This helps to increase the academic and research standards as well as the student quality at national level. This also helps in tackling the local problems and work towards the sustainable development of the region.

 **Vivekanand College, Kolhapur (Autonomous) and Govindram Seksaria Science College, Belgaum:**

South Konkan Education Society (commonly known as SKE Society) had started the Rani Parvati Devi College with Arts and Science course way back in 1945 at Savantwadi, Maharashtra. Later the Rani Parvati Devi College was relocated to Belgaum in 1948. During 1966 due to increase in student strength the college was bifurcated as Rani Parvati Devi College of Arts and Govindram Seksaria Science College. Presently, GSS College is affiliated to Rani Channamma University, Belagavi (RCU), and is a premier educational institute in North Karnataka imparting quality education in Science and committed to overall development of students. The college is re-accredited with "A" Grade (3.10 CGPA) by NAAC and enjoys CPE status of UGC. The college has a proud track record of consistent high results at degree level.

It is engaged in providing quality education through well qualified and dedicated teaching staff. **About Vivekanand College, Kolhapur:**

Swami Vivekanand Shikshan Sanstha, Kolhapur' is one of the few renowned and leading educational institutions in Maharashtra (India). Dr. Bapuji Salunkhe started toying with his dream- project of founding an educational institute which he did in 1954. He made the resolution of founding 'Shri Swami Shikshan Sanstha' in a small temple of Lord Muralidhar (Lord Krishna) Situated on the confluence of holy rivers the Krishna and the Koyana. He selected equally holy place to begin the sacred mission which, later on, become a life-time work for Dr. Bapuji Salunkhe. Vivekanand College, Kolhapur which was established in 1964 is known as one of the best quality colleges in Maharashtra. The U.G.C. granted autonomy to this college from the academic year 2018-19. About 8000 students are enrolled every year for various programmes. Besides the conventional programmes like B.A., B.Com. and B.Sc., the college offers the professional programmes like B.B.A., B.C.A., B.C.S., B.Sc. (Biotechnology), B.Sc. Microbiology, B.Voc., Community College and M. B. A. The college also provides opportunity to undertake degrees like B.A., B.Com., B.Sc., B.Lib., M.Lib. and M.B.A. of YCMOU, Nashik. Till date in all 27 minor and major research projects are undertaken by the faculties. Our Placement Cell is very active as during last five years 537 students are placed in the various organizations like Wipro, Infosys, TCS, Patni Computers, Eton, Reliance Insurance, Federal Bank and South Indian Bank. The students are also guided for State Civil Services examinations at our Competitive Examination Guidance Centre which has produced more than 100 officers during the last five years. Considering the strengths of the college, the NAAC, Bangalore has reaccredited the college with 'A' Grade. The college is identified twice as the "College with Potential for Excellence" by the UGC, and included in "The Star College Scheme" by the DBT, Govt. of India.

**Department of Computer science:**

The mission of the Department is to Build a strong research and teaching environment to the students so that they will become competent professionals for industry and research organizations at the national and international levels. The Computer Science Department was started in the year 1995, to impart Computer knowledge to the Degree Students. The mission of the Department is to develop undergraduate students for productive careers in IT industry, academia and government sectors by providing an outstanding environment for teaching, learning and research in the theory and applications of computing. This Memorandum of Understanding (MOU) sets for the terms and understanding between the Department of Statistics of Rajarshi Chhatrapati Shahu College, Kolhapur and the Department of Statistics of Vivekanand College, Kolhapur to strengthen Teacher – Student Exchange programme.

**Background**

This MOU will help to both of the colleges. As these colleges are from different areas of Kolhapur city, it will help to have an exchange of social and cultural life. Both students and teachers of the two colleges will visit to the colleges of other party. The college, to which the faculty and students are visiting, has to manage the comfort of the visiting college. The programme will be held at least one time in a year.

**Purpose**

This MOU will fulfill the following goals:

1. To Exchange of academic activity, scientific study, experimentation in the relevant subject.
2. To deliver the subject-related lectures by the visiting faculty
3. To participate the students from other college to the activities conducted by the visiting college
4. To participate in seminar/Conference/workshop/Training program in Software/Quiz Competition/Poster Presentation organized by both the college.

The above goals will be accomplished by undertaking the following activities:

1. Both students and teachers will actively participate in teaching-learning activities.
2. The faculty will deliver a lecture either on statistics or on the scope statistics in various areas which may help the learners.
3. The students from other college will participate in the activities conducted by the visited college
4. The student's ability of learning will be enhanced.

**Reporting**

Minimum one programme of Faculty Exchange will take place in a year and it will be reported to both of the institutions.

**Funding**

This MOU is conducted on non-profit basis about faculty and students exchange programme, hence the college itself has to raise the fund to run this activity.

**Duration**

This MOU is at-will and may be modified by mutual consent of authorized officials from The Department of Statistics of Rajarshi Chhatrapati Shahu College, Kolhapur and The Department of Statistics of Vivekanand College, Kolhapur. This MOU shall become effective upon signature by the authorized officials from both colleges and will remain in effect until modified or terminated by any one of the partners by mutual consent. In the absence of mutual agreement by the authorized officials from The Department of Statistics of Rajarshi Chhatrapati Shahu College, Kolhapur and The Department of Statistics of Vivekanand College, Kolhapur and this MOU will be continued in the next five academic year.
