Guest Lecture on

“Geo-Fest National Workshop - 2022”

Date: 21/03/2022

Report

1. Name of the Department - Department of Geography

2. Aims and Objective

- To create interest among students for learning to applied Geography
- To improve and share the knowledge through Discussion.
- To help students learn the application of GIS and RS for career enhancement .

3. No. of beneficiaries :

. 200 participating professors and students were present for this program online and offline.

4. Outcome

- It helped students improve their knowledge through this program
- Students became more interested in communication each other
- Students get a great attitude towards GIS and RS

Subject: Letter of Appreciation

Dear Sir,

We are thankful to you for very active participation as a Resource Person for the **Day 3rd** - Friday 18/03/2022 at 11:00 am to 12:00 pm for the lecture of "**Work of Data Processing unit in GIS**" in the **Geo Fest National Workshop 2022**. Thank you for the valuable speech you had given to our students. It was very interactive, motivating and informative. We are sure that everyone gets benefited by your words. Once again thank you for considering and making the event lives. We look forward to hearing from you again.

Thank you,

Yours Faithfully,
