NIGHTMARE

LEVEL 01

In a classroom of a collage all the students are sitting on the benches and they were talking to each other but there was a student whose name is sairaj he always sitting alone on the last bench. He always stay alone not because he likes to stay alone its because everyone of the student think that he is boring then some of the students having a conversation about sairaj that he is boring, he do not have any friend, he is a loser. He heard that, he decides to leave the collage he comes out of the class room. He goes stright to the computer lab to tell his teacher that he wants to drop out of the collage. As soon as he enters the lab, he sees some students working on the computer. He seeks hos teacher, then he comes out of the labas sir is not there. Going back to the classroom. Then he hears something fell down. when he turns around to the right side the lock of the storeroom is broken and fell down. he approaches to the storeroom and opens the door of the storeroom. Store room is very dark he turn on the switch of light. When the light turns on he saw a glass bottle. He sees a light floting inside the sealed glass bottle. He wants to see what is inside the bottle he goes near the table where the bottle was he pick the bottle and he was trying to see that is inside it he trird to open it. Maamhile, he felt someone is coming, he put down the bottle in a mess and runs to the door to get out of the storeroom. At that time the bottle fell of and bursts. Whm that bottle brokes the light disappears from it. The light of the store room switched off completely at that time sairaj falls down he gets up in a huff. the light turns on again he get up on his feet abd goes to the door. As he steps outside the storeroom, everything turns into a ruin, the place is no longer the same as it was befor. IN hand over fear him also some scretches on the wall, as well as large drawn claws. he comes outside the storeroom and waits. And looking around, everything have changed. He does not understand anything, everything is changed into a ruin place. Then he starts to walk towards the computer lab. When he enters in the lab, he get scared to see lab condition. And at the last sairaj is making the storyboard of this all that he imagined this all is his imagination.

Story board

DISCRPTION: He step out the room. The whole place changed there is all blood stained handprints and words scratched into the wallsit was scary all the place changed into a horror place.

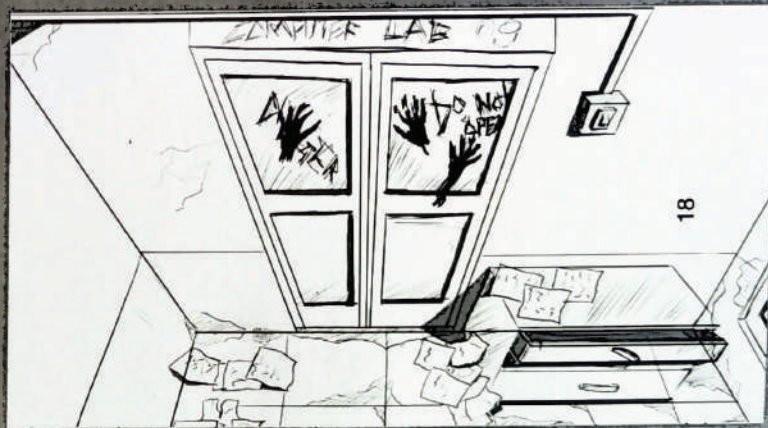

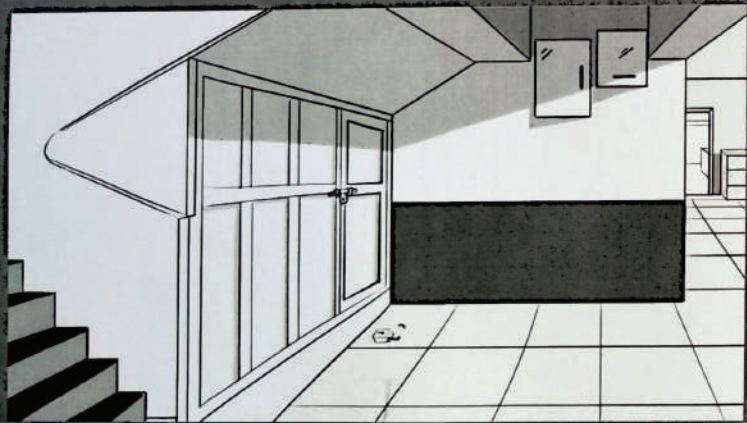

DISCRPTION: He looks at the door in fear as he sees all the blood stauned handprints and crack on the door.
The words scratched into the door says do not enter makes him even more scared bur he has to make the choice to enter in the computer lab or not.
