

Shrishail Nesarikar

MBA (Finance) | Mechanical Engineer | Faculty — Management, Economics & International Business

shrishail47@gmail.com | +91-7276499230 | linkedin.com/in/shrishail-nesarikar | [Pune], India

ACADEMIC PROFILE

Accomplished academician and industry professional with 10+ years of combined teaching, research, and corporate experience. Holds an MBA in Finance and a Mechanical Engineering degree, supported by 8 years of intensive expertise in Economics, International Business, International Relations, and Public Policy. Brings rare interdisciplinary depth — bridging theory and practice — to MBA and management classrooms. Uniquely combines corporate engineering experience, postgraduate finance education, and decade-long policy scholarship to deliver industry-relevant, analytically rigorous management education.

INDUSTRY / CORPORATE EXPERIENCE

Mechanical Engineer | [Frank baker design Pvt Ltd, Pimpri MIDC]

[2010] – [2011]

- 2 years of hands-on industrial experience in designing and prototype making/manufacturing
- Exposure to real-world operations, project execution, quality control, and industrial processes
- Corporate experience adds practical industry perspective to classroom teaching — valued highly by management colleges

TEACHING PHILOSOPHY & PEDAGOGICAL APPROACH

- Conceptual clarity first: ensure students understand the 'why' before the 'what' — builds lasting understanding
- Real-world integration: every theory linked to current economic events, policy decisions, or corporate case studies
- Analytical writing: strong emphasis on structured, evidence-based argumentation for corporate and consulting readiness
- Interdisciplinary lens: Economics ↔ Geopolitics, Finance ↔ Policy, Engineering ↔ Operations — rare cross-domain perspective
- Student-centred learning: interactive sessions, Socratic questioning, case discussions, and continuous formative assessment

RESEARCH INTERESTS

▶ International Trade & Economic Policy	▶ India's Foreign Economic Relations
▶ Financial Markets & Regulatory Frameworks	▶ Global Geopolitics & Business Impact
▶ Public Finance & Fiscal Policy	▶ Emerging Market Economics
▶ Corporate Governance & Ethics	▶ Sustainable Development & ESG Policy
