Brief Summary

The Department of Bachelor of Business Administration organized a Social Outreach Activity at Sawali Care Centre on 10th January 2026 as part of its initiative to promote social responsibility and community engagement among students.

The activity aimed to provide students with an opportunity to interact with the beneficiaries of the care centre and understand the importance of empathy, compassion, care, and social responsibility. The students participated enthusiastically in the activities organized during the visit.

During the activity, the students interacted with the residents and staff of the centre and spent meaningful time with them. The interaction helped students understand the importance of supporting vulnerable sections of society and contributing positively to the community. The students also participated in appropriate activities and contributed their time and efforts towards making the visit meaningful.

The faculty members guided the students throughout the activity and ensured proper discipline and coordination. The visit provided a valuable experiential learning opportunity beyond the classroom and helped students develop important values such as empathy, teamwork, communication, compassion, and civic responsibility.

The activity concluded with a note of gratitude to the management and staff of Sawali Care Centre for their cooperation and support. The students expressed that the visit was an enriching and memorable experience that encouraged them to become more socially responsible individuals.
