DEPARTMENT OF COMPUTER STUDIES

2025-2026

Report: Wallpaper Presentation

1.Name of Department : BCA

2.Name of Organized Activity : Wallpaper Presentation

3.Date/Duration : 11th November, 2025

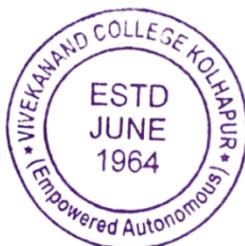

4.Aims and Objectives : 1. To develop communication, creativity, and presentation skills among BCA students through poster presentations.

2. To enhance students' understanding of computer science concepts by researching and presenting information in a visual poster format.

5.No. of Beneficiaries : Total = 105

Students	Male	Female
	57	48

6.Expenditure and Funding agency :

7.Brief Description : The **Department of BCA** organized a **Wallpaper Poster Presentation for BCA students** on **11th November, 2025 at Classroom 201**. The activity was conducted to encourage students to present technical topics creatively and to improve their understanding of various concepts in the field of Computer Application and Information Technology.

The session was guided by **Asst.Prof R.D.Bavache & Asst.Prof M.V.Kamble** , who motivated students to explore new technologies and present their ideas effectively. The program began with a short introduction explaining the importance of research, creativity, and presentation skills for BCA students.

After the introduction, students actively participated by presenting their wallpaper posters on different computer applications topics. They explained their selected topics, shared knowledge about modern technologies, and discussed their ideas with teachers and fellow students.

Key Activities Included:

Wallpaper Poster Presentation – Students prepared and presented informative posters on various IT-related topics.

Technical Explanation Session – Students explained their topics and concepts to the department staff & participants.

Interactive Discussion – Teachers and students discussed the presented topics and shared ideas related to new technologies.

8.Outcomes: The **Wallpaper Poster Presentation** was highly beneficial for all participating BCA students. It helped students improve their understanding of various computer application and IT-related topics through research and creative presentation. The activity enhanced students' communication skills, creativity, and confidence in explaining technical concepts. It also encouraged teamwork and knowledge sharing among students. Overall, the presentation motivated students to explore new technologies and strengthened their interest in learning and presenting technical subjects effectively.
