Mentoring Report 2024-25

Name of Department: BSc Computer Science (Entire)

Name of Faculty: Miss .Samrin Z Mullani

Students mentoring scheme is very important initiative. Through this activity, the problems and difficulties of the students can be understood and they can be guided or counseled accordingly.

While working as mentor total 12 students from B.Sc. Computer Science (Entire) I were guided by the teacher Miss Samrin Z Mullani .

There were some difficulties of academic and psychological nature.

1. Students have difficulties about how to give the presentation on project demo.
2. Students have difficulties in solving programs using Programming languages.
3. Students have doubts related to career opportunities in other sectors such as banking.
4. PG college's selection and Job opportunities.

The students were guided accordingly. Occasionally, there were helped to solve the problems. This Activity helped to boost the morale of the students and clear their view regarding opportunities.

Objectives of the programme:

1. To provide personalized attention to the problems that the students need help with.
2. To help students feel connected to the campus.
3. To mentor students academic and overall performance
4. To help students improve their study skills.
5. To make students aware of all the resources available for them on the campus and do help them make the best use of those.
6. To help students choose and work towards their career goals.
7. To enable the institution evolve mechanism for more students-centric education by gathering a database of students' needs.

Mentoring Report 2024-25

Name of Department: BSc Computer Science (Entire)

Name of Faculty: Miss. Priyanka S Maske

Students mentoring scheme is very important initiative. Through this activity, the problems and difficulties of the students can be understood and they can be guided or counseled accordingly.

While working as mentor total 12 students from B.Sc. Computer Science (Entire) I were guided by the teacher Miss. Priyanka S Maske There were some difficulties of academic and psychological nature.

1. Students have difficulties about how to give the presentation on project demo.
2. Students have difficulties in solving programs using Programming languages.
3. Students have doubts related to career opportunities in other sectors such as banking.
4. PG college's selection and Job opportunities.

The students were guided accordingly. Occasionally, there were helped to solve the problems. This Activity helped to boost the morale of the students and clear their view regarding opportunities.

Objectives of the programme:

1. To provide personalized attention to the problems that the students need help with.
2. To help students feel connected to the campus.
3. To mentor students academic and overall performance
4. To help students improve their study skills.
5. To make students aware of all the resources available for them on the campus and do help them make the best use of those.
6. To help students choose and work towards their career goals.
7. To enable the institution evolve mechanism for more students-centric education by gathering a database of students' needs.
