***Sub: Letter for Permission to Conduct Seminar***

Sir,

I am writing this letter to request permission to conduct a seminar in the college. I wish to conduct a seminar in regards to the advanced technology in computer science, and the career guidance for students. I believe this will be a very informative seminar that many students will wish to attend.

I believe small steps must be taken to educate everyone on the seriousness of this matter, and this is one of them. It is beneficial for final year students of your college.

Thank you,
