Mentoring Programme:-

Name of the Department:- Biotechnology
(Entire)

Name of the faculty:- Mr. S. G. Kulkarni

Objectives of the Programme:-

1. To provide personalized attention to the problems that the students need help
2. To help students feel connected to the campus.
3. To monitor students academic performance.
4. To make students aware of all the resources available for them on the campus and to help them make the best use of those.
5. To help students choose and work towards their career goals.
6. To counsel students about their academic difficulties.

Students Mentoring Scheme

Students Mentoring Scheme is a very important initiative. Through this activity, the problems and difficulties of the students can be understood and they can be guided / counseled accordingly. While working as a Mentor a of **total 17** students including **05** from **B.Sc-I Biotechnology Entire** Students from **05 B.Sc.-II Biotechnology Entire** and **07** from **B.Sc-III Biotechnology Entire** were guided by Mr. S. G. Kulkarni. There were some difficulties of academic development and various skills development, preparing for M.Sc entrance exams, improving practical skills, preparation for IIT-JAM, GATE Exam DBT Industrial training programme etc. The students were guided accordingly; occasionally they were helped to solve the problems. This activity helped to boost the morale of the students, improve their academic confidence and clear their view regarding career opportunities.

Students Mentoring Scheme

Students Mentoring Scheme is a very important initiative. Through this activity, the problems and difficulties of the students can be understood and they can be guided / counseled accordingly. While working as a Mentor a of total 13 students including 04 from **B.Sc-I Biotechnology Entire** _____ Students from 05 **B.Sc.-II Biotechnology Entire** and 05 from **B.Sc-III Biotechnology Entire** were guided by MS. J. J. Gavandi. There were some difficulties of academic development and various skills development, preparing for M.Sc entrance exams, improving practical skills, preparation for IIT-JAM, GATE Exam DBT Industrial training programme etc. The students were guided accordingly; occasionally they were helped to solve the problems. This activity helped to boost the morale of the students, improve their academic confidence and clear their view regarding career opportunities.

Academic Year: 2023-2024
