**Group discussion for Advance learning**

Department of botany organized group discussion activity under advance learning scheme on 14<sup>th</sup> January 2022. Students of B. Sc. I, II and III were selected on the basis of last semester percentage in botany for this discussion. Botanical gardens in India: Role and Importance is selected as a group discussion topic. 10 students of B.Sc. I, 10 students of B. Sc. II and 5 students of B. Sc. III were selected for advances learning scheme. Information regarding botanical gardens role and importance were provided to the students, so they can search similar contents from books, newspaper, various journals and on google. The motto of this scheme is to encourage students to learn from one another and to articulate course content in their own words. The interactive dynamic discussion help students to learn and motivate them to complete home works and to prepare to class.

This activity improve the thinking, listening and spiking skills of the participated students it also promotes the confidence level of the students. On 14<sup>th</sup> January 2022 form 2 to 3 pm this activity was taken on online mode (Google meet) students participated voluntary. Dr. B. T. Dangat, Dr. K. P. Patil, Dr. L. A. Kagale and Dr. S. D. Patil participated and guided the students throughout the session.
