**Internal Quality Assurance Cell
2024-25**

Quality Initiatives/ Activities Report

1. Name of Department: Botany

2. Name of Organized Activity: “Visit to Lead Botanical Garden”

3. Date/ Duration: 24/10/2024

4. Aims and Objectives:

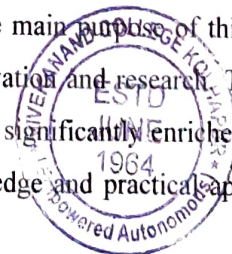

1. To study and conserve variety of plant species
2. To learn about indigenous plant species and conservation practices.
3. To interact with experts in the field of botany and conservation.

5. No. of beneficiaries: 54

6. Expenditure & funding agency:/collaborators: No

7. Brief description:

The Department of Botany of Vivekanand College, Kolhapur (Empowered Autonomous), has organized a study tour at Lead Botanical Garden on 24th October 2024. The study tour was arranged for B. Sc. II Botany students, accompanied by faculties. This garden was first botanical garden India, which is declared as ‘Lead Botanical Garden’ for western India with funding from MoEF for additional required infrastructure. The plant species which are endemic and endangered are introduced in the garden. Today, Lead Botanical Garden is enriched by the plants from the various parts of the country especially from Western Ghats of India. The main purpose of this visit was to enhance students understanding related to plant diversity, conservation and research. There were 54 students signed up for this study tour programe. Overall, the visit significantly enriched the students learning experience, bridging the gap between theoretical knowledge and practical application. For

this excursion Head of Botany department Dr. B. T. Dangat and their entire staff made significant contributions to the success this visit.

8. Outcomes: (whether the aim achieved):

1. Students were aware about plant diversity and conservation.
2. Improved practical skills and give more information about plant taxonomy and morphology.
3. Development of research and observation skills.

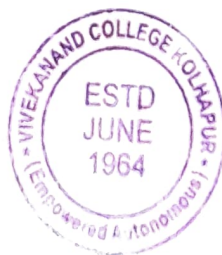

9. Photos:

Explaining plant information to the students
