7. **Brief Description:** The department of chemistry organize of “Preamble of the constitution” on the occasion of Constitution Day- 26 Nov. 2024.

The head of chemistry department Dr.Mrs S.D.Shirke madam explained the definition of Costitution of India. The constitution sets out the fundamental principles of which the state is governed. She explained the interesting facts about the constitution. Dr, Bhimrao Ramji Ambedkar is known as the father of the Indian Constitution who then became the Law minister and introduced the final draft of Constitution in the constitution Assembly. It sets out in different ways the exercise power which is held accountable to the people they serve.

It is the longest written constitution in the world. It declares India to be a Socialist Secular Democratic Republic and a welfare state committed to secure a justice, liberty and equality for the people. At the ending all the students and staff read the preamble of constitution .

8. **Outcomes:**

The students benefited from this programe much more by learning and understanding the meaning, importance and reason to accept the constitution of India. Why there is a need of constitution. It specifies the type of government for a country and how it would function. It gives the rights and duties of the citizens.
