One Day Workshop on Alumni Interaction with Students (Opportunities for Chemistry Students in Government Sector)

The Department of Chemistry, Vivekanand College, Kolhapur (Empowered Autonomous) in association with Internal Quality Assurance Cell (IQAC), organized a one-day workshop on **“Alumni Interaction with Students; Opportunities for Chemistry Students in Government Sector”** on 21 July 2025. The program was aimed at creating awareness among the students about various career prospects available in the government sector after pursuing chemistry as a discipline. Total 49 students and 11 teachers are participated in this workshop.

The session began with a formal welcome address and introduction of the alumni resource persons Mr. Suraj Kumbhar who are currently serving in ONGC, Government of India. Dr. S. S. Ankushrao welcomes and introduces the guest. Prof. Dr. Arjun Kumbhar, Dean of science faculty and PG coordinator of chemistry felicitate the alumni resource person by offering bukey.

The alumni shared their personal career journeys, preparation strategies, and insights into the recruitment processes for government sector services. They highlighted the importance of subject knowledge, skill development, and competitive examination preparation. The resource persons also motivated students to explore research fellowships, scholarships, and opportunities in laboratories and research institutions funded by government agencies. An interactive session followed, where students actively participated and sought guidance regarding examination patterns, required qualifications, preparation resources, and career planning. The alumni emphasized consistency, discipline, and confidence as keys to success in the government sector. The workshop was very beneficial as it bridged the gap between current students and successful alumni, providing practical career guidance and inspiration. It created awareness among students about multiple pathways to establish a secure and meaningful career in the government sector. The program concluded with a vote of thanks, expressing gratitude to the alumni for their valuable time and contributions, and to the participants for their enthusiastic involvement.

Outcomes of the Workshop:

- Students gained awareness about diverse opportunities in the government sector.
- Alumni shared real-life experiences and preparation strategies.
- Students understood the significance of competitive examinations and research fellowships.
- The workshop motivated students to set career goals and prepare systematically.

To,
The Principal,
Vivekanand College,
Kolhapur.

Subject: Regarding the permission to conduct one day workshop on "Alumni Interaction with Students (Opportunities for chemistry students in government sector)".

Respected Sir,

With reference to the subject mentioned above, department of chemistry is going to organize a one-day workshop on "Alumni Interaction with students (Opportunities for Chemistry Students in Government Sector)" on 20th July 2025 for M.Sc. chemistry students. As head of the concerned department, I am applying here for permission to conduct the said workshop.

Yours Faithfully

(Dr. Mrs. S. D. Shirke)
