	<u>Mentoring Report (2018-19)</u>			
	<p>Throughout the mentoring journey my emphasis was on elevating both the academic & personal development. This involved creating that structured study plans, supplying exams resources, discussion over the newly introduced autonomy & its importance. Also counselled the issues related to fearmen in the examinations, lack of confidence, communication related fearmen, etc. "Assistance in time management & continuity in study is also important" This. As I guided to the mentee regarding all above issues, ensuring a continuous journey of growth in both academic & personal realms.</p>

	Report 2018-19.			
	<p>7 Mentees have been assigned by college's mentor-mentee committee for the academic year 2018-19. In this programme we discussed various problems/queries of assigned students to me. students are freely discussed with me & requested time for newly updated syllabus & nature of question papers. some students were shown a very keen interest in the competitive examinations like mpSC, STI, UPSC etc. we guide about these competitive examination. so overall I was satisfied with the response from students</p>

<u>Students Mentoring Report 2018-19</u>				
<p>Mentoring Scheme in college allow the students to feel more connected to their teachers and creates a community culture. Students needs support in their academic career while working as a mentor of students from B.Sc I were guided by me. There were some difficulties like career guidance, various skill enhancement courses, different fellowships, personal issues, autonomous status of our college etc. The students were guided accordingly.</p> <p>Through this activity students learn to identifying resources, encourage their part career and empower the personal development</p>
