Students Mentoring Scheme Report (2020-21)

Students mentoring scheme is an important initiative by the college with the objective to enable the institution evolve mechanisms for the student-centric education. Mentoring is extremely valuable in learning, educating and developing the students (both personally, professionally and emotionally also). Through this activity, it can possible to provide personalized attention to the problems and difficulties of the students. It covers academic as well as students' personal challenges.

Mrs. Pooja Parishwad mentor, guided/ counseled 32 students from B.Com course through WhatsApp & Telegram groups, meetings and one-to-one interaction, constructive feedback with nonjudgmental accessibility. Under mentor-mentee relationship, improving interaction with the students, mentor understood various problems and challenges of the students. Challenges of the students related to academic, networking, research and internship opportunities, economical such as information about CBCS scheme, admission process, study research projects, guidance for various courses, competitive exams, professional courses, financial challenges are solved through Student Aid fund, etc. While mentoring the mentor identify the skills and inner qualities of the students. Accordingly, students are placed in various college activities in cultural, sports and other student development programs.

Students feel connected with college campus. Also, mentor assist the students to boost the morale of the students, improve their academic confidence and clear their view regarding career opportunities and also provide emotional support when needed.
