**Students Mentoring Scheme Report (2023-24 & 2024-25)**

Students mentoring scheme is a very significant initiative of the department. Through this scheme, the students related issues have been understood and tried to mentor them and guided / counseled them according to the needs of the students. while working as a mentor total 83 students including 15 & 28 students from B.COM-Part -I(2023-24 & 2024-25respectively), 15 students from B.COM-Part-II (2024-25) and 15 students from B.COM-Part-III (2024-25) were guided by Dr. R.R. Patil there were some issues related to academics CIE, NEP Structure, departmental activities, syllabus difficulties, study material, Internal evaluation, assignments and social & mental issues. Some issues were related to their daily college routine i.e. transportation, college timing, college uniform, teaching learning processes. Some issues were occurred due to uncertainty of life i.e. change in the environment & changing career related doubts, death of near and dear, Financial deficiencies etc. The said scheme was really helpful for both teacher and student to interact more and to come out from the problematic situations and becoming more cognitive. The activity helped to boost morale of the students, improve their academic confidence and clear their approaches regarding career opportunities.
