Students Mentoring Scheme Report (2024-25)

Students mentoring scheme is a very important initiative. Through this activity, the problems and difficulties of the students can be understood and they can be guided and counseled accordingly. While working as a mentor total 06 were guided by me. There are some difficulties of academic activity. That includes the issues like how to prepare for college exam, competitive exams, counseling regarding mental problems, subject difficulties, guidance on Various Courses, guided regarding study material available in college, help in the admission, help to feel the examination form etc. The students are guided accordingly. This activity helps to boost the morale of the students, improve their academic confidence and clear their view regarding career opportunities. This scheme improved the study skill of student. Students become aware about the resources available for them in the college campus. These help the students to choose their career goals.
