Academic Year 2025-26

Quality Initiatives/ Activities Report

- Name of Department:** Computer Science
- Name of Organized Activity:** Field visit to the Computer Center, Shivaji University, Kolhapur
- Name of the Contact Person:** Mr. Abhijeet Redekar
(Director, Computer Center, Shivaji University, Kolhapur)
- Date/ Duration:** 27/03/2026
- Aims and Objectives:**
 - To study the Data Centre Operations
 - To observe the Surveillance System
 - To understand Network Systems
 - To explore Computer Hardware Maintenance
 - To learn about Safety and Security Measures
- No. of beneficiaries:** Male: 4
Female: - 10
Total:- 14
- Expenditure & funding agency:** - Vivekanand College, Kolhapur
- Brief description:** The visit to the computer center provided valuable practical exposure to various technological systems, including the data center, surveillance system, network infrastructure, and hardware maintenance workshop. In the data center, we observed servers, storage devices, and cooling systems, and learned how data is securely stored, managed, and backed up.

The surveillance system section demonstrated the use of CCTV cameras and monitoring equipment to ensure security and safety within the premises. We also explored the network system, where we understood the functioning of routers, switches, and structured cabling used for communication and data transfer. Additionally, the hardware maintenance workshop gave us insights into computer assembly, troubleshooting, and repair techniques using specialized tools. Overall, the visit helped bridge the gap between theoretical knowledge and practical implementation, enhancing our understanding of real-world computer center operations.

9. Outcomes:

- Gained practical understanding of data centre operations, including server management, storage, and backup systems.
- Developed knowledge about surveillance systems and their role in ensuring security through CCTV monitoring.
- Improved understanding of network systems, including the functioning of routers, switches, and data communication.
- Acquired basic skills in computer hardware maintenance, troubleshooting, and repair techniques.
- Learned about safety measures and security protocols followed in computer centres and workshops.
- Enhanced ability to relate theoretical concepts with real-world applications.
- Developed awareness of professional work environments and technical practices in the IT field.

Subject: Regarding permission to go for Study visit at Computer Centre, Shivaji University,
Kolhapur

Respected Sir,

As per the subject cited above, we are planning to go for Study visit at Computer Centre, Shivaji University, Kolhapur for M.Sc. Students.

For the above said visit we are in connection with Mr. Abhijeet Redekar, Director, Computer Centre, Shivaji University, Kolhapur for visit schedule.

So, I request you to please give us the permission for the same.

Thanking you.

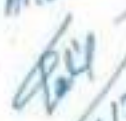

Sincerely Yours

(Dr. I. K. Mujawar)

Subject: Permission to visit Computer Centre...

Dear Sir,

With above cited subject, I kindly request a permission for a group of M.Sc. students from the Department of Computer Science, Vivekanand College Kolhapur to visit the Computer Centre of Shivaji University. The purpose of this visit is to provide students with practical exposure to the facilities, resources, and functioning of the Computer Centre, which will greatly enhance their academic learning and technical understanding.

We propose to arrange the visit at a time convenient to your schedule. We assure you that all students will maintain discipline and adhere to the rules and regulations of the Computer Centre during the visit.

We would be grateful if you could grant us permission for the same. Kindly let us know if any formalities need to be completed prior to the visit.

Thank you for your time and consideration.

Dr. C. B. Patil
