- Day & date:** Friday & 09/01/2026
- Aim and Objectives:**

Aim: The aim of the guest lecture was to enhance personality development, communication skills, and professional readiness among students.

Objective:

- To develop self-awareness and confidence among students.
- To improve communication and interpersonal skills.
- To guide students on professional behavior and workplace ethics.
- To enhance leadership and team-building abilities.
- To prepare students for career challenges and personal growth.
- To motivate students towards positive attitude and goal setting.

- No. of beneficiaries:** 109
- Expenditure & funding agency:** Vivekanand College, Kolhapur
- Brief Description:**

The Department of Chemistry, in collaboration with the Nandi Foundation, organized a Guest Lecture on Personality Development, delivered by **Ms. Meghana Dubey**. The lecture focused on the importance of personality traits, effective communication, body language, time management, and professional etiquette. Through real-life examples and interactive activities, the resource person encouraged students to build confidence, develop a positive attitude, and improve their overall personality. The session was highly engaging and beneficial for students' personal and professional development.

- Highlights of the Lecture:**
 - Expert guidance on personality development and self-improvement.
 - Practical tips on communication skills and body language.
 - Emphasis on professional ethics and workplace readiness.
 - Interactive activities and student participation.
 - Motivational guidance for career and personal growth.
- Outcomes:**
 - Students gained confidence and self-awareness.

- Improved communication and interpersonal skills.
- Enhanced understanding of professional behavior and etiquette.
- Motivated students towards personal development and career readiness.
- Developed a positive outlook and goal-oriented mindset.
