Academic Year 2025-26

Quality Initiatives / Activities Report

1. Name of Department: Computer Science

2. Name of Organized Activity: Guest Lecture on "Recent Advances in Computer Science and IT"

3. Name of the Resource Person/s: Prof. Rahul Waghmare, Y. C. Institute of Sciences, Satara

4. Date / Duration: Saturday, 16-08-2025 at 12:30 PM

5. Aims and Objectives:

- To create awareness among students about recent advances and emerging trends in Computer Science and Information Technology.
- To familiarize students with new technologies, tools, and research directions in the field.
- To inspire students to explore innovative areas of study and research in Computer Science.
- To provide a platform for interaction between students and an experienced academician in the field.

6. No. of Beneficiaries: Students – 72, Teachers – 00 (Total: 72)

7. Expenditure & Funding Agency: - Vivekanand College, Kolhapur

8. Brief Description:

A guest lecture on "Recent Advances in Computer Science and IT" was organized by the Department of Computer Science on Saturday, 16th August, 2025 at 12:30 PM for BSc-III, MSc-I, and MSc-II Computer Science students. A total of 72 students attended the session. Prof. Rahul Waghmare, Y. C. Institute of Sciences, Satara, delivered the lecture, covering emerging trends and recent developments in the field of Computer Science and Information Technology. The resource person shared valuable academic and research insights, familiarizing students with new technologies and evolving areas of the discipline. The session enhanced students' knowledge base and motivated them to stay updated with ongoing developments in Computer Science and IT.

9. Outcomes (whether the aim achieved):

- Students gained awareness about recent advances and emerging trends in Computer Science and IT.
- Students were familiarized with new technologies, tools, and evolving research directions in the field.
- The session broadened students' academic perspective and motivated them towards further learning and research.
- Students benefited from direct interaction with an experienced academician, gaining clarity on emerging areas of study.
