At the outset, the Chairman welcomed the new members of the BoS.

BOS/13/01: The minutes of the 12th BoS meeting held on 18-06-2024 were reviewed and unanimously approved without any amendments.

BOS/13/02: The draft syllabus for B.Sc. Part III was discussed and finalized as per NEP 1.0 guidelines, with a focus on integrating advanced computing concepts, industry-driven projects (Field Projects and On Job Training) and research-based learning. The approved syllabus will be implemented from the academic year 2025-26.

BOS/13/03: The revised syllabus for B.Sc. Part II was carefully reviewed and finalized, incorporating interdisciplinary subjects, modern tools and practical skill development in alignment with NEP 2.0. Implementation is set for the academic year 2025-26.

BOS/13/04: After detailed discussions, a new CIE pattern was finalized, balancing formative and summative assessments of the student. The pattern includes class tests, assignments, project reviews and skill-based evaluations, promoting continuous student development.

BOS/13/05: Members unanimously agreed to enhance the curriculum with modules focused on industry certifications, hands-on workshops and real-world problem-solving activities to boost employability.

BOS/13/06: In AOB the M.Sc. syllabi were reviewed to ensure alignment with evolving technology trends and research opportunities. Dr. Sangram Patil suggested to upgrade the Android application development paper to Mobile Application Development with Flutter and some Minor suggestions were suggested, which will be incorporated for the upcoming academic year.

The meeting concluded with a vote of thanks to the chair and members for their proactive participation and valuable contributions.
