  5. To involve alumni in academic development, internships, placements, and research initiatives.
  6. To collect feedback and suggestions from alumni for curriculum enhancement and quality improvement.
5. **No. of beneficiaries:** Total 23 alumni's have been participated for this program.
6. **Expenditure & funding agency:/collaborators:** 500/- funded by the College
7. **Brief description:** Department of Electronics has organized Alumni Meet 2026 in collaboration with the Internal Quality Assurance Cell (IQAC) Vivekanand College, Kolhapur (An Empowered Autonomous Institute). Alumni Meet provides a platform for alumni to reconnect with their alma mater and fellow graduates. It promotes interaction, experience sharing, and mentorship while strengthening alumni involvement in the institution's growth.

Dr. P. R. Bagade in his introductory speech expressed gratitude to the alumni for their presence and active participation. He appealed the alumni for their willingness to contribute to the growth and development of the institution.

The President of program was Dr. C. B. Patil, Head of Electronics Department said that the alumni are an integral part of the institution and ambassadors of the department in society. The Head appreciated the remarkable achievements of the alumni in diverse fields. It was stated that the professional success of the alumni has significantly contributed to enhancing the reputation and credibility of the department. An overview of the department's growth and development was presented, including the establishment of advanced laboratories, curriculum updates aligned with emerging technologies, faculty achievements, and ongoing research activities. The Head emphasized the rapid advancements in the electronics

domain and the importance of continuous learning to remain relevant in the profession.

The Head stressed the vital role of alumni in the holistic development of the department and encouraged their active participation in mentoring students, providing internships, guiding projects, delivering expert lectures, and supporting placement and research initiatives. The importance of strengthening industry-academia collaboration through alumni support was also highlighted.

\* Dr. Poonam Jadhav Madam addressed the gathering and expressed her sincere gratitude to the alumni for their continued association and support to the institution. In her speech, she highlighted the importance of alumni as role models and mentors who inspire and guide current students. She emphasized the strong bond between the institution, its alumni, students, and faculty members. The address also acknowledged the valuable contribution of teachers in shaping successful alumni.

Mr. Goutam Jirage Sir addressed the gathering and expressed sincere gratitude to the alumni for their presence and for sharing their valuable views and experiences. The interaction highlighted the deep and enduring bond between teachers and students, described as 'Runanubandh'.

During the address, best wishes were extended to all alumni for a bright and successful future, with encouragement to confidently embrace the opportunities and challenges of the emerging Artificial Intelligence era. The speech emphasized the significance of lifelong relationships, continuous learning, and progressive growth, making the session meaningful and inspiring.

The program was concluded with a vote of thanks by Mr. R. A. Deshmukh.

#### **8. Outcomes:**

1. *Strengthened bonding and continued association between alumni and the department.*
2. *Opportunities for industry-academia collaboration were identified through alumni networks.*
3. *Enhanced awareness among students about emerging trends, skills, and career pathways in the electronics field.*
4. *Alumni provided valuable suggestions for academic and curriculum improvement.*

#### **9. Photos:**

*Address by the Head of the Electronics Department*

*Ex-Student Miss.Sakshi Bhopale expressing her view about college at the meet*
