## **Bosch BRIDGE Course**

### **Batch II**

### **Report**

**Name of Department:** English Department

**Name of Organized Activity:** Bosch Bridge Course - Batch II

**Date/Duration:** 9th February to 30th April 2025

#### **Aims and Objectives:**

- To equip students with essential employability skills, communication skills, and personality development.
- To provide practical knowledge in basic computer operations, industry-specific skills, and life skills.
- To prepare students for successful careers through interview skills and placement assistance.
- To bridge the gap between academic learning and professional requirements, fostering holistic development.

**No. of beneficiaries: Students:** 25 (Assuming the same number as Batch I, as not specified for Batch II)

**Expenditure & funding agency:** Self-financed (with a free learning kit provided by Bosch India Pvt. Ltd.).

#### **Brief Description:**

The English Department successfully conducted the Bosch Bridge Course - Batch II, a comprehensive program designed to enhance the employability and life skills of students. Recognizing the critical need for industry-relevant skills in today's competitive job market, the

course offered a blend of theoretical understanding and hands-on practical training. Key modules covered included Essential Employability Skills, Communication Skills, Personality Development, Interview Skills, Basic Computer Knowledge, Industry & Job-Specific Skills, and Life Skills. The program was open to B.A., B. Com., B.Sc., and Professional Degree students, providing them with a unique opportunity to gain valuable expertise. A blended learning approach was utilized to ensure effective skill acquisition.

**Outcomes:**

- All 25 enrolled students successfully completed the program and appeared for the final examination.
- All 25 students received the official Bosch Certification, validating their newly acquired skills.
- Students gained significant proficiency in essential employability skills, communication, and personality development.
- The course successfully prepared students for professional interviews and provided placement assistance.
- Participants benefited from a free learning kit, including books and uniforms, which supported their learning journey.
- The program effectively developed both technical and soft skills, preparing participants for diverse opportunities in various industries.
