Subject : Regarding arrange a visit at MRSAC Nagpur of PG students
of Diploma in Geoinformatics

Respected Sir/Madam

I am writing on the behalf of Department of Geography, Vivekanand college, Kolhapur (An Empowered Autonomous Institution) to seek your kind permission to organize a guest lecture for our students of PG Diploma in Geoinformatics. The aim of this lecture is to provide students with a deeper understanding of the advancements and applications in Geographic Information Systems (GIS) and Remote Sensing, which are integral to their academic curriculum. Member of your institute who are expertise in geoinformatics and having great experience in the field would offer invaluable insights to our students and significantly enhance their learning experience.

Proposed Details of the Lecture:

- Date: 08/01/2025 Time: 11 am
- Venue: Maharashtra Remote Sensing Application Centre (MRSAC),

We kindly request your approval to proceed with organizing this session and facilitating the necessary arrangements. We are confident that this collaboration will contribute meaningfully to the academic and professional development of our students.

Thank you for considering our request. Please do not hesitate to contact us for any further details or clarifications.

We look forward to your positive response.

Yours faithfully,

Subject: Request for Educational Visit and Jungle Safari for PG Diploma
Students in Geoinformatics

Respected Sir/Madam,

Greetings from Vivekanand College, Kolhapur.

I am writing to request your kind permission to organize an educational visit and jungle safari for the students of the PG Diploma in Geoinformatics. Department of Geography at our college to the Navegaon-Nagzira Tiger Reserve. This visit is aimed at providing practical exposure to the students regarding the application of geospatial technologies in wildlife conservation, biodiversity management, and the study of protected ecosystems.

The tentative date for the visit is 09/01/2025, and the group will comprise 26 students accompanied by 3 faculty members. We would also like to include a jungle safari as part of the itinerary to allow the students to observe the flora and fauna of the reserve firsthand. This will significantly enhance their understanding of forest ecosystems and their management.

We assure you that all guidelines and protocols pertaining to the reserve, including wildlife protection and visitor safety norms, will be strictly adhered to. We kindly request your assistance in facilitating this visit, including arrangements for the jungle safari. If required, we are happy to provide any additional details regarding our program or visit plan.

Looking forward to your positive response and support in making this educational endeavor successful.

Thank you for your time and consideration.

Yours sincerely,

Prin.

Respected Sir/Madam,

Greetings from Vivekanand college, Kolhapur (An Empowered Autonomous Institution)

I am writing on the behalf of Department of Geography, Vivekanand College, Kolhapur (An Empowered Autonomous Institution) to seek your kind permission to organize a visit to the Regional Remote Sensing Centre (RRSC), Nagpur, for our students enrolled in PG Diploma in Geoinformatics.

The primary objective of this visit is to provide our students with practical insights into the workings of RRSC, its contributions to remote sensing and geospatial technologies, and the research initiatives it supports. We also believe that an interaction with your esteemed team will help our students gain a deeper understanding of career opportunities and future prospects in the field of geoinformatics.

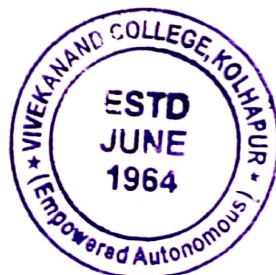

Proposed Details of the Visit:

- Date: 08/01/2025 Time: 11.00 am.
- Venue: Regional Remote Sensing Centre (RRSC) -Central, Nagpur

We would be grateful if you could facilitate a session during the visit to explain various aspects of RRSC's operations, current projects, and its role in addressing national and global challenges using geospatial technologies.

We kindly request you to let us know any formalities or procedures required to finalize this visit. We sincerely hope for your positive response.

Thank you for your valuable time and support.

विषय: आमदार निवासस्थानी पी. जी. डिप्लोमा इन जीओइन्फॉर्मेटिक्सच्या
विद्यार्थ्यांची राहण्याची सोय करण्याबाबत.....

महोदय,

आमच्या कॉलेजमधील भूगोल विभागातील "पी जी डिप्लोमा इन जीओइन्फॉर्मेटिक्स" या अभ्यासक्रमातील विद्यार्थ्यांची शैक्षणिक सहल MRSAC व RRSC नागपूर येथे दि. ०७/०१/२०२५ ते १०/०१/२०२५ पर्यंत आयोजित केली आहे. या सहलीला संबंधित विद्यार्थ्यांची संख्या २४ असून त्यामध्ये ६ मुले व १८ मुली तसेच ३ शिक्षक असतील. या विद्यार्थ्यांना राहण्याची योग्य आणि सुरक्षित सोय आवश्यक आहे.

आपल्या विभागाचे "आमदार निवास" हे ठिकाण विद्यार्थ्यांसाठी योग्य असू शकते, आणि म्हणूनच आम्ही आपल्याकडे विनंती करतो की, त्या ठिकाणी विद्यार्थ्यांसाठी राहण्याची सोय उपलब्ध करून द्यावी.

आपल्या विभागाची मदत आणि सहकार्य अत्यंत महत्वाचे आहे आणि त्यासाठी आम्ही आपले आभारी राहू. आपल्या उत्तराची अपेक्षा करत आहे.

7. Brief Description:

Students of P. G. Diploma in Geoinformatics visited ISRO sub center RRSC, Nagpur on 8/1/2025. General Manager, RRSC Dr. Srinivas gave a lecture on "Applications of geospatial technology in natural resource management" to the students while Dr. Prakashrao gave basic information about remote sensing and GIS. At this place, the students got opportunity to see the 3 D satellite lab. On 9/1/2025, the students visited MRSAC, Nagpur where Dr. Sanjay Apturkar Sir gave lecture on "Applications of remote sensing and GIS in various fields". Ashokvan was also visited on this day. On 10/1/2025, students visited Navegaon Tiger Project in Gondia district. Here Pawan Tikhile gave information about "Applications of GIS and REMOTE SENSING in Tiger monitoring and wildlife habitat management". Here, students experienced a jungle safari. This trip will be useful for their bright future. I would like

to thanks Principal Dr. R.R. Kumbhar sir for support and permission for this educational trip.

8. Outcome:

1. Students will understand satellite data processing, image interpretation, and geospatial project workflows at RRSC and MRSAC.
2. Students will gain practical skills in GIS software, web-GIS portals, and GPS-based field data collection methods.
3. Students will learn to validate remote sensing outputs with ground truth data collected at NNTR and prepare thematic maps for natural resource management.
4. Students will interact with experts, explore real-world applications in forestry, urban planning, and conservation, and develop insights for future projects or careers in Geo-informatics.
