“Remedial Coaching for Slow Learners”

Date: 13th January 2025 to 18th January 2025

Report

1. Name of the Department - Department of Geography

2. Activity – “Remedial Coaching for Slow Learners”

3. Aims and Objective

1. Develop capacity for conceptualizing geographical phenomenon
2. Enhance skill to proper an appropriate research design
3. Provide overview of contemporary research methodology with GIS and RS
4. To help participants to choose the right methodology for their research.

4. No. of beneficiaries:

Total 25 participants from whole state, professors and college students were present for this program.

Male	Female
13	10

5. Outcome

- It helped students for improve their knowledge about the research.
- Research students became more interested in research career.
- Research scholars and students get a bright outlook towards problem solving perspective of the society
