Department of Geography

Organizes

Guest Lecture

On the occasion of

"World Tribal Day"

Date: 09 August 2024

Report

1. Name of the Department - Department of Geography

2. Activity - Guest Lecture

3. Aims and Objective

- **To Raise Awareness:** The lecture aims to educate students about the significance of World Tribal Day, highlighting the cultural diversity, traditions, and challenges faced by tribal communities worldwide.
- **Recognizing Tribal Rights:** The lecture equip students with knowledge about the rights of tribal communities, including land rights, cultural preservation, and the challenges they face due to globalization and modernization.

4. No. of beneficiaries:

For this Lecture, 32 students participated.

Male	Female
07	25

5. Outcome

- **Enhanced Cultural Awareness:** Students will have a deeper understanding and appreciation of the rich cultural heritage and traditions of tribal communities around the world.
- **Increased Sensitivity to Tribal Issues:** Students will become more sensitive to the challenges and issues faced by tribal communities, including social, economic, and environmental concerns.
- **Active Advocacy for Tribal Rights:** Inspired by the lecture, some students may engage in or support initiatives that advocate for the rights and preservation of tribal cultures, contributing to social justice and inclusivity.
- **Integration of Tribal Knowledge:** Students will recognize the value of traditional tribal knowledge and practices, which they can integrate into their studies, research, or community projects, promoting sustainable and culturally aware approaches.
