5. No. of beneficiaries : Total = 14

Students	Male	06
	Female	08

6. Expenditure & funding agency: Nil

**7. Brief Description :** On the behalf of Mathematics department study tour was organised Shivaji University, Kolhapur on 17<sup>th</sup> January 2025. Head of the department Mr. S. P. Thorat, Mr. G.B. Kolhe, Ms. P. P. Kulkarni were present along with Mr. Dilip Birnale and total 14 students of B.Sc. III. Students reached the university at 10:00 AM and were warmly welcomed by university representatives. Head of mathematics department Dr. (Mrs.) Sarita Thakar organized lecture on carrier opportunities after graduation in mathematics Prof. (Dr.) Shirke sir guided us. A brief introduction about the university, its history, and its achievements was presented Dr. K. D. Kucche. After that visited the Barr. Balasaheb Khardekar Library, one of the largest in Maharashtra, where they explored a vast collection of books, research journals, and digital learning resources. The digital library section was particularly impressive, providing access to numerous online research databases. Toured different departments, including Science and Technology, Humanities and Social Sciences, Commerce and Management. Then had lunch at the university canteen, where we interacted with students and faculty members, gaining insights into university life. Then visited various research centres focusing on biotechnology, environmental science, and nanotechnology. Scholars and researchers explained their ongoing projects and the impact of their work on society. A special session was organized where faculty members shared their experiences, discussed career opportunities, and answered our questions.

Students also shared their experiences about academic life, research opportunities, and extracurricular activities. Then students explored the scenic campus, including gardens, hostels, and recreational areas. Finally, they thanked the university authorities for their warm hospitality and concluded our visit. The university provides high-quality education with a strong emphasis on research and innovation. The library and laboratories are well-equipped, aiding students in their academic growth. Faculty members are highly knowledgeable and supportive, guiding students toward successful careers. Shivaji University offers diverse career opportunities and research programs in multiple fields. The study tour to Shivaji University, Kolhapur, was a highly enriching experience that broadened our understanding of higher education and research opportunities. The visit inspired us to pursue academic excellence and consider research as a potential career path. Students express our gratitude to the university administration for their warm welcome and informative sessions. Students thanked our Principle R.R. Kumbhar sir and HOD Thorat S. P for arranging the study tour. Also thanks to the teachers for taking care.

**8. Outcomes** : 1. highly enriching experience that broadened our understanding of higher education

2. Promoted interest in science, Culture and Research
