- ii) To understand the research opportunities available in different disciplines.
- iii) To interact with faculty members and students to gain insights into various programs.
- iv) To visit different departments, libraries, laboratories, and research centres.

5. No. of beneficiaries: Total = 23

Students	Male	07
	Female	16

6. Expenditure & funding agency: Nil

7. Brief Description: On the behalf of Mathematics department study tour was organised to Shivaji University, Kolhapur on 13<sup>th</sup> December 2025. Assistant Professor Mr. G.B. Kolhe, Ms. A. D. Patil were present along with total students of B.Sc. II & III, M.Sc. I & II students reached the university at 12:00 PM and were warmly welcomed by university representatives. Dr. Jyoti Kharade Mam guided the students and gave a brief introduction of the university, its history, achievements, and different courses of Mathematics. The tour helped students gain valuable exposure to different department, including the Mathematics Department, Science and Technology, Humanities and Social Sciences, Commerce and Management. After the academic session, students had lunch at the university canteen and interacted with

faculty members, gaining insights into university life, academic life, research opportunities, and extracurricular activities. Students then explored the campus, including gardens, hostels, and recreational areas, and conducted the visit by thanking the university authorities for their warm hospitality. The university provides high-quality education with a strong emphasis on research and innovation. The library and laboratories are well-equipped, aiding students in their academic growth. Faculty members are highly knowledgeable and supportive, guiding students toward successful careers. Shivaji University offers diverse career opportunities and research programs in multiple fields. The study tour to Shivaji University, Kolhapur, was a highly enriching experience that broadened our understanding of higher education and research opportunities. The visit inspired students to pursue academic excellence and consider research as a potential career path. Students express our gratitude to the university administration for their warm welcome and informative sessions. Students thanked our Principle and Head of Department Dr. S. P. Thorat sir for arranging the study tour. Also thanks to the teachers for taking care.

**8. Outcomes : i) Highly enriching experience that broadened our understanding of higher education**

**ii) Promoted interest in science, Culture and Research**
