# One Alumni - One Book

## One Alumni – One Book

Date:- 08/01/2026

The “One Alumni – One Book” initiative is a meaningful academic and social contribution program designed to strengthen the bond between alumni and the department. This concept encourages each alumnus to donate one book to the departmental library. The initiative promotes knowledge sharing, lifelong learning, and active alumni involvement in the academic growth of current students. The donated books may have inspired, guided, or supported alumni in their academic and professional journeys.

The donated book may be:

- An academic or reference book
- A competitive examination guide
- A motivational or self-development book
- A subject-related classic or advanced text
- A book that shaped the alumnus's thinking or career

By donating a book, alumni pass on their knowledge, experiences, and values to the next generation of students, thereby contributing to a culture of learning and inspiration.

<b>Brief Discussion</b>	Department of Mathematics has organized "Alumni Meet 2025-26", a Programme to facilitate, consolidate and coordinate Alumni Activities on Saturday, 10 <sup>th</sup> December 2026. The alumni meet is to reconnect with the Alumni and celebrate their success and various achievements. The Alumni started arriving in college by 12.00 P.M. The Alumni Meet started with a welcome address by the Principal Dr. Sanjay P Thorat. Alumni interacted with the students and gave motivational talk regarding preparing for higher studies and placements. In this meeting, we are pleased to introduce a new initiative titled "One Alumni – One Book." Under this concept, alumni are encouraged to donate a book of their choice to the departmental library. These books may include academic, competitive, or inspirational titles and will serve as a valuable resource for future students.		
<b>Outcomes</b>	Alumni have earned the knowledge of current advancement in Mathematics and placement in current scenario. Enhancing the departmental library collection under the program "One Alumni-One book".
