Birth Anniversary of Christen Gram

(2019-20)

Report

Department of Microbiology, Vivekanand College, Kolhapur had observed the Birth Anniversary of “ Hans Christen Joachim Gram” . Gram was a Danish bacteriologist noted for his development of the Gram stain , still a standard technique to classify bacteria and make them more visible under a microscope.

To make the student aware regarding his great work every year department celebrate this day. On this occasion Mr. Abhay Patil from B.Sc.III Microbiology has explained about the life and educational achievements of Gram . Ms. Arundhati Kamble from B.Sc.III Microbiology has explained the important contribution of Gram in the field of bacteriology.

Finally vote of thanks was expressed by Professor Ms. V.V .Misal.
