Visit to Regional Forensic laboratory, Kolhapur

Date: 23/01/2020

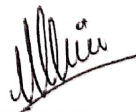

Report

As per the invitation given by Regional Forensic laboratory, Kolhapur, Students of B. Sc. III (Microbiology) with two teachers visited the laboratory on 22th January 2019.

At Regional Forensic laboratory we were introduced to various sections. We were given instructions regarding rules to be followed during visit. First of all we visited Biology section where information about crime cases and identification methods was given. Later in toxicology department information about various toxins was given. In Narcotics department we got detail information about various equipments and drugs.

So during visit various instruments, methods, process were successfully studied by students.
