		2024-25		
	Students mentoring scheme is a very important initiative. Through this activity the problems and difficulties of the students can be understood and they can be guided accordingly. While working as mentor total 20 students from B.Sc. I, B.Sc. II & B.Sc. III were guided. There were some difficulties of academic and psychological nature. They included issues like examination pattern, syllabus, scope of subject, competitive exams in science, government jobs, e-books post graduate studies, personal issues etc. The students were guided accordingly. Occasionally they were helped to solve the problem. This activity helped to boost the morale of the students improve their academic performance, confidence and clear their views regarding carrier opportunities.
