Brief Discussion	Dr. C. J. Kamble was the Chief Guest for this Physics Quiz Contest. In total Physics is the science of nature. Physics deals with the fundamental forces of nature. Quizzes are organized to test knowledge of the universe's workings and the laws of reality. The laws of physics are natural and can never be changed; e.g., the three laws of gravity were determined by Newton and continue to guide new discoveries and innovations. The quizzes will provide you with a vast pool of physics fundamentals, laws, equations, and questions. Physics Quiz Contest had easy, medium, and hard-level questions. Total 17 students have taken part in this Physics Quiz Contest.																
Outcomes	Students got useful information on Concepts in Physics through this Physics Quiz Contest.
