Mentoring scheme is very important scheme. Through this activity, problems and difficulties of the students can be understood. They can be guided/counseled accordingly. While working as a mentor total 07 students from B.Sc.-I were guided by Mr. A.V. Shinde. There were some difficulties of academic, domestic as well as from phycological in nature countered with students' interaction. They included issues like travelling difficulties, fee concession to the students, parking facility, unviability books in library, issues regarding lectures and practical's as well as personal issues like mental and physical health etc. The students were guided accordingly.
