Students Mentoring Scheme Report (2021-22)

Mentoring scheme is very important scheme. Through this activity, problems and difficulties of the students can be understood. They can be guided/counseled accordingly. While working as a mentor total 07 students from **B.Sc.-I** were guided by **Prof. C.J. Kamble**. There were some difficulties of academic, domestic as well as from phycological in nature countered with students' interaction. They included issues like changing facilities to the girl students, parking facility, hostel facilities to boys, unviability books in library and ID cards, travelling difficulties, fee concession to the students, extra coaching for competitive exams, unhygienic washrooms, issues regarding lectures and practical's as well as personal issues like mental and physical health etc. The students were guided accordingly. Occasionally they were helped to solve the problem. This activity helped to boost the morale of the students, improve the academic confidence and clear their views regarding opportunities.
