Mentoring scheme is very important scheme. Through this activity, problems and difficulties of the students can be understood. They can be guided/counseled accordingly. While working as a mentor total 07 students from B.Sc.-I were guided by Prof. S.V. Malgaonkar. The students were guided accordingly. Occasionally they were helped to solve the problem. There were some difficulties of academic, domestic as well as from phycological in nature countered with students' interaction. They included issues like fee concession to the students, extra coaching for competitive exams, unhygienic washrooms, issues regarding lectures and practical's as well as personal issues like mental and physical health changing facilities to the girl students, unviability books in library and ID cards, travelling difficulties etc.. This activity helped to boost the morale of the students, improve the academic confidence and clear their views regarding opportunities.
