Labs are clean and can get every equipment and in case don't have some equipment teachers will help you lot to get equipment. Lot of students do research and have separate lab for research without any disturbance. Opportunities are given you to present presentation which helps to develop confidence and group programs are also held to improve your coordination skill and leader quality. In case you want to do career in different field all department supports you and ofcourse every single detail about physics and it's career guidance is given by every single teacher which makes physics department unique.
