Quality Initiatives/ Activities Report

1. **Name of Department**: Zoology
2. **Name of Organized Activity**: "**Artificial Intelligence in Life Sciences**"
3. **Date/ Duration**: 03/09/2024
4. **Aims and Objectives**:
   The Primary Aim of the **"Artificial Intelligence in Life Sciences"**
   - To explore the transformative impact of Artificial Intelligence (AI) in the field of life sciences, highlighting its applications, benefits, and future potential.
   - Illustrate specific case studies where AI has been successfully applied, such as drug discovery, genomics, diagnostics, and personalized medicine.
   - Discuss the advantages of AI integration in life sciences.
   - Identify and analyze technical challenges associated with implementing AI in life sciences.
5. **Beneficiaries**:

Sr. No	Faculty		Students		Total
	Male	Female	Male	Female	
1	05	07	08	72	92

6. **Expenditure & Funding Agency**: NA
7. **Brief Description**:

The poster presentation activity was organized by the Department of Zoology and IQAC Vivekanand College, Kolhapur (Empowered Autonomous) on 3rd September 2024 for the B. Sc. students. The aim of conducting this activity was to inspire and motivate students to prepare and present poster. The theme of the poster presentation was **'Artificial Intelligence in Life Sciences'**.

Principal Dr. R. R. Kumbhar inaugurated the poster presentation activity. After the inauguration, 80 students from B. Sc. I, II, III were presented about 45 posters on subjects such as Role of Artificial Intelligence (AI) in health care, Disease diagnosis in AI, Use of AI in biodiversity conservation, Advantages and disadvantages of AI, Revolutionizing Life Sciences with AI, AI in biotechnology, AI in animal welfare, AI in agriculture and environment, etc.

Prof. (Dr.) A. S. Kumbhar, Dr. V. B. Waghmare and Dr. S. B. Mulla examined this activity. 65 students were visited for this activity.

The introduction of the poster presentation activity was given by Dr. G. K. Sontakke, anchoring was done by Dr. S. S. Desai and a vote of thanks was given by Dr. T. C. Gaupale. After completion of this activity students should be able to construct the posters, students should understand the presentation skills. This activity was conducted under the guidance of Dr. G. K. Sontakke, Head of the Department of Zoology.

8. **Outcomes**:
1. Attendees gain a comprehensive understanding of how AI is revolutionizing life sciences, leading to greater interest in the subject.
2. Participants exchange insights and ideas, fostering a collaborative environment for discussing AI applications and challenges.
3. Attendees leave with inspiration for innovative approaches to their own research or professional practices involving AI.

9. **Photos**:

Department of Zoology

To,

The Principal,

Vivekanand College, Kolhapur (Empowered Autonomous)

Subject: Regarding permission for organizing "**Poster Presentation**" for B. Sc. students
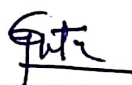

Respected Sir,

     With reference to above subject, Department of Zoology Vivekanand College, Kolhapur (Empowered Autonomous) is going to organize "**Poster Presentation**" on topic "**Artificial Intelligence in Life Sciences**" for the B.Sc. students. The event is scheduled for 3rd September, 2024. The purpose of this activity is to provide our students with an engaging platform to explore and present the applications and implications of artificial intelligence within the field of life sciences. We believe this will significantly enhance their understanding and stimulate their interest in both the subject matter and its practical applications. Therefore, we kindly request your permission for this activity. Thanking you.

NOTICE

All students are hereby informed that the Department of Zoology and IQAC, Vivekanand College, Kolhapur (Empowered Autonomous), is going to organize a **"Poster Presentation"** for students on 3rd September, 2024 at 11:30 am in the Department of Zoology. The topic for the poster presentation is **"Artificial Intelligence in Life Sciences"**. Students are requested to register their names in the Department of Zoology. Please prepare your posters and present it on the given day and time. If you have any queries regarding the topic, please visit the Department.

"Artificial Intelligence in Life Sciences"

Report

The poster presentation activity was organized by the Department of Zoology and IQAC Vivekanand College, Kolhapur (Empowered Autonomous) on 3rd September 2024 for the B. Sc. students. The aim of conducting this activity was to inspire and motivate students to prepare and present poster. The theme of the poster presentation was 'Artificial Intelligence in Life Sciences'.

Principal Dr. R. R. Kumbhar inaugurated the poster presentation activity. After the inauguration, 80 students from B. Sc. I, II, III were presented about 45 posters on subjects such as Role of Artificial Intelligence (AI) in health care, Disease diagnosis in AI, Use of AI in biodiversity conservation, Advantages and disadvantages of AI, Revolutionizing Life Sciences with AI, AI in biotechnology, AI in animal welfare, AI in agriculture and environment, etc. Prof. (Dr.) A. S. Kumbhar, Dr. V. B. Waghmare and Dr. S. B. Mulla examined this activity. 65 students were visited for this activity.

The introduction of the poster presentation activity was given by Dr. G. K. Sontakke, anchoring was done by Dr. S. S. Desai and a vote of thanks was given by Dr. T. C. Gaupale. After completion of this activity students should be able to construct the posters, students should understand the presentation skills. This activity was conducted under the guidance of Dr. G. K. Sontakke, Head of the Department of Zoology.
