	<p>The mentor mentee scheme is designed to provide continuous support &amp; guidance to students through regular interactions with assigned faculty mentors (5 students from B.Sc-I) were part of mentoring scheme. Through regular meeting several challenges faced by these students were identified including health problem that affects their college attendance &amp; academics consistency. Two students reported difficulty related to understanding of topics, some students reported their family problem, financial issue and traveling problems also. The mentor provided them counseling on problem, suggested time management skills, study tricks, focusing on college attendance &amp; career. Guided students towards skill based courses &amp; career pathway ensuring a positive impact on the overall progress.</p>
