		Mentor - mentee Report	2024-25	
		The mentor-mentee scheme is designed to provide continuous support & guidance to students through regular interactions with assigned faculty mentor. During academic year 2024-25, four students from - two from B.Sc. II (major) & two from B.Sc. III (Zoology) were part of mentoring scheme. Through regular meetings, several challenges faced by these students were identified, including health problems that affect their college attendance & academic consistency. Two students reported difficulties in travelling from long distance leads to irregularity & fatigue. One student get married & have family issues. Two students were slow learners. The mentor provided them counselling on problems, suggested time management skills, study tricks, focusing on college attendance & career. Guided students towards skill based courses & career pathways ensuring a positive impact on their overall progress.
