		Mentor-mentee Report 2024-25		
		The mentor-mentee system is a Student support Initiative aimed at providing academic, personal, and career guidance through regular one-on-one interactions between faculty & Students. It helps identify challenges faced by Students & offers timely solutions to ensure their holistic development. During the academic year 2024-25 a total of 4 Students (two Student from B.Sc II & two Student from B.Sc III) were guided. Various personal & academic concerns were identified through regular interactions. Common issues faced by the Students, traveling related, health related, time management during study, dealing with high expectations from parents & test Anxiety, etc. In response, provided (EMPOWERED AUTONOMOUS) Academic difficulties were also noted & Personalized guidance, peer learning groups & extra tutorials were arranged to support their learning process overall, the mentor-mentee program was beneficial in identifying Student concerns & offering timely support.
