	<u>Mentor - Mentee Report</u>			
	The Objective of the mentorship programme is to provide academic, personal, & professional guidance to students, helping them enhance their performance, set meaningful goals & develop the skills necessary for overall growth & future success. During the mentorship period, I had opportunity to guide eight students. I have provide guidance on co-curricular involvement, academic progress, subject-wise challenges faced by students. Also, helped to setting short & long term goals, emotional well being, library books finding. The students actively participate in discussion, showed willingness to improve, & made notable progress in academic focus & confidence level. The mentorship was productive, & has shown positive development among students.

	Mentor - Mentee Report			
	The purpose of this mentoring scheme is a important initiative towards academic, personal development, guidance to the mentee, through regular interactions. During working as mentor total five students were guided. The key topic discussed with student mainly based on academic planning, time management strategies, career interest, internship options, confidence building & communication skills. It is observed that, after mentoring, students actively participated in discussions, showed a willingness to improve and made notable progress in organizing their academic schedule & planning for their career. The mentorship was productive, & has shown positive development among students.
