	<u>Mentor - mentee - Report:-</u>			
	Student mentoring scheme is a important novel initiatives toward the overall development student teacher interaction. With the help of this activity the problems or issues are identified and understood and mentored Accordingly. to their problems. During working as mentor total 10 students were mentored. There are some difficulties regarding, academic, personal, issues of books, travelling, study related, syllabus, question paper, solving examination. etc. Other difficulties includes how to prepare for life science related competative examination, opportunities, communication, learning for these examination. The students difficulties are also learning outcome UG- to PG progression or entrance examination for PG admission. The level of difficulty were identified and supported or guided to the students by the mentor. This activity help to improve moral of students, academic confidence, and enhance their idea & skills. regarding scopes & career opportunities in Zoology.
