### **Mentor Mentee Report**

Student mentoring scheme is a very crucial initiative. Various problems and difficulties of students can be understood by this activity and they can be counselled accordingly. Total 08 students of B. Sc. Part III were guided while working as mentor in this scheme. The students had difficulties like travelling problems, health issues, difficulties in understanding scientific terms, difficulties in understanding some concepts, etc. We helped students to solve their problems and guided them accordingly. This activity helped students to develop self-confidence to face different academic challenges.
