**Mentor Mentee Report**

Student mentoring scheme is a very important initiative. Through this activity the problems and difficulties of the students can be understood and they can be guided /counselled accordingly. While working as a mentor total 05 students from B. Sc. Part III were guided. The students had certain difficulties such as Stress related issues, lack of information about co-curricular activities, Bus problems, difficulties in understanding some concept's, problems in refers reference book , difficulties in project work etc. The students were guided accordingly also helped them to solve the problems. This activity helped to foster good community relations and contributes to the local and area targets for economic growth and enhances the skills of staff and students, improves student attendance and retention.
