Academic year: 2020-2021

Mentor Mentee report

Student mentoring scheme is a very important initiative towards the development student teacher interaction. Through this activity, the problems and difficulties of the student can be understood and mentored according to their problem. During working as mentor total twelve students were guided. There were some difficulties of academic, Psychological and at personal level. The difficulties includes writing problem, learning problem, difficulty in understanding immunology, molecular biology, communication difficulties, examination preparation and writing etc. As per level of difficulty of the students were supported and guided by the mentor. Students were oriented in zoology about scope and opportunities. This activity helped to both the moral of the students, improve academic confidence and enhance their ideas regarding career opportunities in Zoology.
