### **Mentor Mentee report**

Student mentoring scheme is a very important initiative towards the development student teacher interaction. Through this activity, the problems and difficulties of the student can be understood and mentored according to their problem. During working as mentor total fifteen students were guided. There were some difficulties of academic, Psychological and at personal level. These difficulties includes remembering topics, problem solving, examination difficulty, Entrance examination, opportunities in competitive examinations, learning problem, communication difficulties, travelling issues, examination preparation and writing etc. As per level of difficulty of the students were supported and guided by the mentor. Students are mentor about the post graduate entrance examination and competitive examination. This activity helped to both the moral of the students, improve academic confidence and enhance their ideas regarding career opportunities in Zoology.
