### **Mentor Mentee Report**

Student mentoring scheme is a very important initiative. Through this activity the problems and difficulties of the students can be understood and they can be guided /counselled accordingly. While working as mentor total 06 students were guided from B. Sc. Part III. The students had certain difficulties such as travelling problems, difficulties in understanding scientific terms, problems on notes preparation, difficulties in practical and project work etc. The students were guided accordingly also helped them to solve the problems. This activity helped the student to develop the self-esteem and improve the confidence to face the academic challenges.
